(Correction) Partial Revision to “Consolidated Financial Results Supplementary Document FY22”

The Company hereby announces that it has made partial corrections to the “Consolidated Financial Results Supplementary Document FY22” disclosed on May 23, 2023.

1. Reason for corrections

The corrections below have been made as it has been determined that mistakes in translation were made on the “Consolidated Financial Results Supplementary Document FY22”.

2. Details of corrections

Page 18: (Reference) Blueprint in FY25 (Fiscal Year Ending March 2026)

The corrected places are underlined in red.

(Reference) Blueprint in FY25 (Fiscal Year Ending March 2026) Announced
in August 2022

	<u>Blueprint in FY25</u>	<u>FY22 consolidated earnings forecasts</u>	<u>Compound annual growth rate (CAGR)</u>
Consolidated revenue	<u>25</u> bn yen	<u>17.2</u> bn yen	13%
Ordinary profit	<u>7</u> bn yen	<u>3.2</u> bn yen	30%
Profit rate	28%	19%	-
Number of employees	Approx. 800	Approx. 600	Approx. 10%

- In the current volatile market, we believe it is appropriate to actively review our business strategy every year and take it into account for the next fiscal year's business plan, so we do not formulate medium-term management plans.
- "Blueprint" is how we want to grow in the medium and long term, and is shared with our shareholders and investors every few years.
